

iBioSign's HEALTH PROFILE NAVIGATOR™

Upcoming Dates:

Thursday May 26

Friday May 27

Monday May 30

Time: 10:00 AM

Educational Seminars, Workshops
and Conversational Gatherings
Come and Join Us!

Subject Titles:

Let's Talk Health while Breastfeeding:

What all mothers should be made aware of while breastfeeding. (May 26, 27 and 30 at 10:00 AM)

Our Sentinel Immunity: How does a pregnant mother "tolerate" a "foreign" human being in her womb. (TBA)

Registration:

Registration is available at our website, or register at 9:30 AM at the BioConverGene Accelerator:
5380 Canotek Road
Units 1 and 3
Main entrance Unit 1

Located within the BioConverGene Accelerator at the Canotek Complex, the International Centre for the Advancement of Health, Regional Innovation and Science (ICAHRIS) is committed to providing an exciting and common venue for educational health promotion initiatives as well as public understanding of product design and development of fascinating emerging technologies for the betterment of our health.

With a strong interest in enhancing and securing Women's and Maternal Infant Health, ICAHRIS has designed a series of educational seminars, workshops and conversational gatherings focused on the most recent and relevant scientific advances within this field.

Come and join us to our first topic for the Month of May:

***Let's Talk Health while Breastfeeding:
What all mothers should be made aware of while breastfeeding.***

When: May 26, 27 and 30 at 10:00 AM

Where: 5380 Canotek Road, Units 1 and 3
Main Entrance Unit 1
